Technical drawings			Team work
Software Proficiency	5 Educational Projects	2 Commercial Projects	Coordination with stakeholders
Knowledge of Building codes			Effective Communication Skills

Technological Portfolio: MS Office | Revit | AutoCAD | InDesign | Canva

EMPLOYMENT EXPERIENCE

Design Consultant

Apr 2023-Nov 2023

[Mindful Neural Networks, Ottawa](#)

- Designed pharmacy as per OBC and pharmacy guidelines.
- Designed multiple secondary units in basements of existing residential units in Ottawa as per OBC guidelines. These units generally consist one or two bedrooms, kitchen, living, dining, and mechanical room.
- Designed and planned aspects of a renovation project of an old church in New Brunswick, converting it into an office building. The existing building has one basement, a ground floor and a balcony floor. The project involves extending the balcony floor to create more usable space for offices.
- Designed restaurant in New Brunswick on an Indian classical theme.
- Designed an affordable housing project in New Brunswick.

Senior Architect

Dec 2013-Mar 2023

[GPM Architects & Planners, India](#)

- Involved in designing, coordination, making specifications, permit drawings, working drawings and completion drawings of 20+ residential projects of different scales from multi-storied apartments to row housing. Integrated green roofs and strategically placed vegetation on-site to improve microclimate of the site.
- Worked on 5 school projects from conceptualization to completion.
- Involved in designing, coordination, making specifications, permit drawings, working drawings and completion drawings of 2 institutional projects of Govt. of India. Medical college campus consists of a hospital block, college block, staff quarters of different pay grades, hostel blocks and guest house with the master planning of whole campus. Integrated green roofs and courtyard vegetation into the hospital and college block to reduce carbon emissions and create eco-friendly spaces for patients, students and staff. In National Institute of Ayurveda (NIA), 65 trees of various girth sizes were transplanted on site.

- Delivered 6 hospital projects, involved in designing, coordination, making specifications, permit drawings, working drawings and completion drawings. Focused on providing therapeutic gardens to create the healing atmosphere for the patients.
- Mentored 3 junior architects in ongoing projects, coordinating with structural consultant and MEP team.

Project Architect

Jul 2011-Dec 2013

[Anuj Agarwal Architects Pvt. Ltd., India](#)

- Consulted with clients to determine functional and spatial requirements of new structure.
- Evaluated project requirements to identify and mitigate risks.
