EDUCATION

University at Buffalo   2019 - 2022

- **Degree:** Bachelor of Science, Electrical Engineering.

Queens Community College

- **Micro-Credential Bootcamp:** Built and tested code using a text editor and translated design instructions into code.   **2023** Implemented responsive designs using JavaScript, HTML5 and CSS based on design direction.

PROJECTS/RESEARCH

Static Informative Website

- Created a static informative website using HTML and CSS, showcasing information about a place of my choice. The website included details about the location, popular activities, and important landmarks. Utilizing skills in HTML tag manipulation and CSS properties, I created a well-designed layout with static elements and simple 2D animations.

Sales Website

- Created the project of creating a sales website featuring six products, incorporating HTML manipulation, CSS styles, JavaScript events, and database integration. The website includes responsive design, modal windows, animations, and a functional checkout form that sends buyer information to a database.

Epidemics

- Assigned probabilities to a cell depending on its state and surroundings and plotted relevant charts. Utilized Matplotlib, NumPy and Pandas library.

SKILLS

Languages: HTML, JavaScript, CSS, Python, C, C++, MATLAB.

Libraries/Frameworks/Environments: JQuery, Bootstraps, NumPy, Matplotlib, Pandas.

Other(s): Visual Studio Code, Jupyter, Linux, GitHub, Microsoft Suites, Google Suites

PROFESSIONAL EXPERIENCE

Student Assistant   Feb 2020 – May 2020

- Assisted with administrative concerns. Offered courteous service to students and visitors of Residence Hall Offices. Answered phones and took messages for staff. Assisted with administrative tasks. Distributed resident mail and managed package pickup.

Student Tutor, Erie Community College   Jan 2018 – May 2018

- Assisted students with homework and test preparations. Worked with students to help them understand mathematical concepts.

Cashier, Fallas   Jun 2017 - Dec 2017

- Registered sales on a cash register by scanning items and totaling customer purchases. Resolved customer issues and answered questions. Boosted sales through courtesy, diplomacy, and efficiency.

VOLUNTARY ACTIVITIES

Member of Future Alumni Leadership Council, University at Buffalo   Jan 2020 – May 2020

- Volunteered at several events per year. Officially represented UB events, programs and special initiatives, and university committees. Engaged in general volunteerism and community service.

Member of Bangladeshi Student Association, University at Buffalo   Jan 2017 – May 2020

- Planned, and participated in numerous cultural events. Took part in meetings to discuss upcoming events. Promoted the club and its events at club fairs held in UB.

AWARDS, ACHIEVEMENTS, & CERTIFICATIONS

- Dean's List for several semesters.
- Recipient of Honors Cords during graduation.
